

UltraSatin

UltraSatin is a satin paint protection film featuring Polyoptico™ coating technology for exceptional stain resistance, and self-healing properties. Through a unique surface effect treatment, it has the same satin texture as the original car paint.

CATEGORY	VALUE	CATEGORY	VALUE
Top Coating	Polyoptico™	Film Thickness	8 mil
60°Surface Gloss	21	Hydrophobic Angle	107°
Elongation (ASTMD-882)	450%	Tensile Strength (ASTMD-882)	30 Mpa
Tear Strength (ASTMD-882)	80 N/cm	Initial Peel Adhesion (ASTMD-882)	20 N/in
Aging Resistance (UV Test:6000H)	Pass	Chemical Resistance (Acid Test)	Pass
Impact Test (SAE J400)	Pass	Warranty	10 Years

Note: 1. All the above values are nominal and should not be used for specification purposes.
